Dear Parents and Guardians:

We are excited that your child plans to participate in extracurricular activities at his or her school during the 2017-18 school year! We are also committed to your child's safety and welfare. For that reason, Rutherford County Schools requires that students who participate in programs with a higher risk of physical injuries than most school activities, including off-site internships, competitive sports, and cheerleading, must be protected by student accident insurance. Please complete the form below to verify your child's student accident insurance coverage and return it to your child's school by _____ (date).

If you have any questions, then please contact the principal at your child's school for more information. Best wishes for a happy, safe, and rewarding school year!

Sincerely,

Janet H. Mason, Ed.D.
Superintendent
